In forwarding herewith a copy of the resolution of the Municipal Council passed at a meeting held on 3rd March 1928 re Proposed abolition of levy of Octroi duty on the marginally noted articles and introduction of Municipal toll-gates on all roads leading to the Town I have the honor to state that the question was discussed at considerable length and in modification of all previous resolutions on the subject it was unanimously resolved that Municipal Toll-gates may be opened as per Government Order No L 8795-814 L B 49-25-88 dated 9th June 1927 at the Municipal boundaries on the roads leading into the town adopting the maximum rates permissiable under the Municipal Regulation and Government Orders in force from time to time

That Octroi duty be abolished on the marginally noted items levy the duty only on the following items i e (1) Betel leaves (2) animals slaughtered (3) kerosine oil including petrol and (4) Piece goods and cloths and the rate of duty on Petrol being only six pies per gallon Of these petrol is the only new item and in that respect objections were invited and considered by the Council It is resolved to levy 0-0-6 per gallon on petrol The proposal to levy octroi on Cigars and Cigarettes and on catchue met with an outburst of objections from the people and therefore their feelings have been respected so far As regards petrol also objection has been taken by the people but the Council have come to the conclusion that it is not desirable to exempt it

The Council effect a considerable savings in octroi establishment charges by reduction of hands proportionately by introducing the above proposed scheme of toll-gates and the income expected will not be less than the present one as can be seen from the enclosed statement

There are several representations from time to time for abolition of octroi duty on these minor items which is affectin trade in this District Head Quarter town

The Council have reconsidered the question in all aspects presented in this office letter No 646 dated 16th January 1925 and come to the above conclusion

I request you therefore to be so good as to obtain Government sanction early to the abolition of octroi duty on the items enumerated above and for the opering of toll-gates as desired by the Council and to sanction the levy of octroi on Petrol at 0-0-6 per gallon

Separate reference will be made for retrenchment of octroi Establishment after obtaining sanction for the above proposal
